

# **Global Sales Data Analytics**

Shopping online is currently the need of the hour. Because of this COVID, it's not easy to walk in a store randomly and buy anything you want. So, try to understand a few things like, Customer Analysis and Product Analysis of this Global Super Store. Defines the pain point you hope to solve or the impact you hope to make with your work. This statement should be clear, concise, and define a measurable outcome.

- Managing influxes of data.
- Making collected raw data readable.
- Managing data coming from multiple sources.
- Collecting real-time useful data.
